

Racheal Ogletree
ABKC Judge

I began training, handling and showing American Bullies specifically within the American Bully Kennel Club in 2006. I have traveled the world supporting, promoting and educating those about the ABKC and the breeds to which they support.

I have personally handled and achieved championship status with multiple American Bullies and have handled top 10 dogs for the past 4 years.

I strive to promote breed standards, structure, and a positive influence around community. I have grown with the ABKC show circuit and have adequately prepared, promoted and executed multiple ABKC events.

In 2011, I became a Judge and in 2015 was promoted to Director of Relations.

Outside of the dogs I am a pediatric nurse, wife and mother of 2.
