

Angel De Zayas ABKC Judge

My name is Angel De Zayas (Hatybulls Kennels), I am from Spain. I have been involved with dogs throughout my life in my family with many breed but basically since 2001 with Amstaff, APBT, American Bulldog and I started with American Bully when I discovered this breed in 2008 and continuing breeding today American Bully and French Bulldog.

My Passion with dogs comes from my family in particular my grandfather, he was breeder for many years of different breed, I learned everything in the dog world with him.

I worked and judged to different registers in Europe as EKC but definitely working to ABKC, for me the most important register in American Bully breed.
