

Lori Richardson
ABKC Judge

I started showing American Bullies in the ABKC in 2008. I finished Grand Champion Titus at #5 in 2011 and Grand Champion Titan at #4 in 2012. I have personally handled multiple dogs to Champion for our kennel and friends.

Since 2009 I have helped raise thousands for local rescues through fundraisers and collecting supplies. Fighting BSL locally and helping others to overturn it is something I focus a lot of my time on.

As an EMT I fight to save lives; through the ABKC we are able to do that for dogs.

In 2015 I became a judge for the ABKC. I hope to continue educating the public and help our community grow for many years to come.

I am thankful for all of the opportunities the ABKC has brought into my life, as well as the friendships.
